

# B Overview of contents of product/product group

## B1 Name of product/product group including product variants

Licensee
Name of product/product group concerned by below information

Product(s)	Product variants State item number or item name

The materials for assessment contain:

- Textile material previously approved by Good Environmental Choice, version: \_\_\_\_\_
- GOTS-certificate/transaction certificate for product
- GOTS-certificate för production unit
- Fibres from recycled material

## B2 Composition of product/product group

Information concerning textile components of product

Type of av material (yarn, fabric etc.) and fibre content	% (weight) of textile part of product
1	
2	
3	

**Information about fibre content in part 1**

Type of fibre	% (weight)
Type of fibre	% (weight)
Type of fibre	% (weight)

**Information about fibre content in part 2**

Type of fibre	% (weight)
Type of fibre	% (weight)
Type of fibre	% (weight)

**Information about fibre content in part 3**

Type of fibre	% (weight)
Type of fibre	% (weight)
Type of fibre	% (weight)

**Information concerning oils and warp size involved in the production of fibres, yarn and fabric**

- Appendix F with information concerning chemicals for below ticked process stages are attached
- Spinning    Knitting    Weaving    Other, not Finishing \_\_\_\_\_

**Product contains**

- Accessories for manufacturing
- Padding material
- Material layer of synthetically produced polymer (film etc. or coating)
- Other \_\_\_\_\_
- Accessories and materials (see above) that have previously been approved for Good Environmental Choice are contained in the materials for assessment

### B3 Production overview and names of companies concerned

The Licence holder must attach a production overview that briefly shows which production steps that the product(s) and its textile parts have been through in production. The overview must contain the name of the company that executes the production step. Below is an example of an overview. If the product consists of several textile parts, overviews must be made for each part. Alternatively they can be brought together in a single document.

- Production overview
- \_\_\_\_\_ production overviews are attached

#### Example:

Supplier(s) of fibre - Company A

Production of Yarn - Company B, spinning mill

Production of fabric - Company C, weaving mill

Pretreatment – Company D, mill for wet-processing

Dyeing

Finishing

Manufacturing – Company E

Delivery of garments – Company F, supplier

Receipt of garments – Company G, licence holder

**Licensee contact person verifies below that the information in Part B is valid for licensed product/product group.**

Date and contact person signature

Name (print):

Position:

Telephone number:

E-mail address:

The completed form with signature can be scanned and sent by e-mail to:
